Party like it's 2023!

Hello again!

We're back with another bumper issue filled with lots of NEWness to see you through every **celebration 2023** has in store!

Check out our newly **refreshed PAW Patrol** range joining the licensed portfolio as well as **Blue's Clues** and **Bluey**, all comprising coordinating foil balloons and costumes!

We've made some **additions** to our **juvenile** assortment, featuring plenty of popular **gaming** ranges and our **Mermaid Tales** ensemble; look out for badges, reusable banners and cake toppers! As well as new **individual products** joining some of your **favourite existing ranges**.

Be sure to keep an eye out for the **'new'** icon dotted around the catalogue **highlighting** all the **new products** joining various ensembles. In addition, we've also marked out our sustainable ranges too, with individual product information online!

A special **milestone Birthday** coming up in 2023? Be sure to check out our **rose gold** or **black & gold** **capsule** ranges! These coordinate perfectly with either our metallic rose gold or classic sparkling celebration designs and also mix perfectly with our metallic gold series!

If you've got a **Communion** or **Christening** to celebrate, we've got you covered with our **three new Botanical Celebration ensembles!** Available in soft palettes of neutrals, pinks and blues, these designs are already proving popular!

Don't forget our **new solid colour wardrobe** either! We're continuing to push the sustainable envelope with our range comprising FSC® certified plates with the traditional PET coating removed as well as compostable napkins. See the full assortment of **18 colours** here! **Scan me!**

Need more **inspiration throughout the year?** Of course you do... follow us on social media or sign up to our NEWSletters to receive the latest updates and product launches.

Introducing our NEW party basics range!

Look out for our FSC® certified products

Our new solid colour portfolio is here and we're excited to share it with you!

Not only have we redesigned our formats and colours, we've also placed sustainability at the forefront of our development.

Across 18 colours and 7 initial formats, we're working to bring Eco solutions to our core solid colour assortment!

Meet our NEW colour wardrobe

Our NEW formats

The Buffet Star!

We have moved away from the traditional PET plastic coating, to a natural non chemically modified material, making the plates more eco-friendly and recyclable. We've even labelled our new products with this very information to make it super clear for our end consumer. Like the majority of our paper items, these are also FSC® certified products!

our NEW formats

Wrap it up!

Our new 33cm 3Ply luncheon napkins are printed onto a white background, giving a vibrant colour. Our napkins are also now compostable as well as being FSC® certified products!

2. FORMATION AND INCORPORATION

21. Subject to any variation under Condition 12.5, the Contract will be upon these Terms and Conditions, to the exclusion of all other terms and conditions and all previous oral or written representations including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order or similar document, whether or not such document is referred to in the Contract, or any other terms that the Buyer seeks to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing.
22. The Contract is made up of the following:
22.1. The Terms and Conditions.
22.2. The Acknowledgement.
22.3. The Order.
22.4. The Credit Application Form.
23. If there is any conflict or ambiguity between the terms of the documents listed in Condition 22, a term contained in a document higher in the list shall have priority over one contained in a document lower in the list.
24. Each Order will be deemed to be an offer by the Buyer to purchase Products upon these Terms and Conditions.
25. The Contract is formed when the Order is accepted by Amscan by way of an Acknowledgement. The contract will come into existence when Amscan issues an Acknowledgement, ("Commencement Date"). Subject to Condition 6.3, the Buyer may not cancel the Contract. Amscan may cancel the Contract at any time prior to delivery.
26. Minimum Order value is £300 exclusive of VAT, unless otherwise agreed in writing by Amscan.
27. Any samples, drawings, descriptive matter or advertising produced by Amscan, and any descriptions or illustrations contained Amscan's catalogues or brochures are produced for the sole purpose of giving an approximate idea of the Products referred to in them. They shall not form part of the Contract nor have any contractual force.

3. DESCRIPTION

31. The quantity and description of the Products will be as set out in Amscan's Acknowledgement, or the Specification. The Buyer is responsible for ensuring that all details contained in the Acknowledgement and/or relevant Specifications are complete and accurate.
32. Amscan may make any change to the Specification, design, materials or finishes of the Products which are:
32.1. required to conform with any applicable safety, statutory or regulatory requirement or
32.2. do not materially affect their quality or performance.
4. PRICE AND PAYMENT
41. Subject to Condition 4.7, the price for the Products will be the price set out in Amscan's published price list current at the Commencement Date or as otherwise notified by Amscan in writing.
42. Unless otherwise specified in Amscan's Acknowledgement, or when Amscan accepts the Order, the price for the Products is:
42.1. inclusive of any costs of packaging and carriage, and;
42.2. exclusive of VAT and any other applicable sales tax or duty which will be added to the sum in question at the prevailing rate, subject to the receipt of a valid VAT invoice.
43. Amscan may invoice the Buyer for the Products on or at any time after Delivery, or where the Buyer wrongfully fails to take delivery of the Products, in which event Amscan shall be entitled to invoice the Buyer for the price at any time after Amscan has notified the Buyer that the Products are ready for collection or (as the case may be) Amscan has tendered delivery of the Products.
44. Payment is due in full in cleared funds within 30 days of the date of an invoice, (or such other period of time as is agreed in writing by Amscan), or upon termination of the Contract, whichever occurs first.
45. All payments to be made by the Buyer under the Contract will be made in full without any set-off, restriction or condition and without any withholding, deduction for, or on account of any counterclaim, unless expressly agreed in writing by a director of Amscan. Time for payment shall be the essence of the Contract.
46. If any sum payable under the Contract is not paid when due then, without prejudice to Amscan's other rights under the Contract, that sum will bear interest from the date due until (and including) the date payment is made in full, both before and after any judgement, at the rate of 4% per month, calculated and charged monthly and Amscan will be entitled to suspend deliveries of the Products until the outstanding amount has been received. In addition, without prejudice to any other remedy of Amscan, Amscan may claim compensation from the Buyer under the Late Payment of Commercial Debts (Interest) Act 1998 (as amended).
47. Amscan may revise its price lists from time to time without informing the Buyer, but may increase the price for the Products between the date of acceptance of order and delivery if there is an increase in the cost of raw materials, labour and/or other production or material costs, increase in costs by Amscan's suppliers, changes in the types or rates of tax contributions, duties, surcharges or levies, in the event of foreign exchange fluctuations, a request by the Buyer to change the delivery date/quantities and any delay by the Buyer to give Amscan adequate or accurate information or instructions, provided that notice is given to the Buyer before Delivery.

5. INSTALLMENTS

51. Amscan may deliver the Products by separate instalments. Each instalment will be a separate Contract and no cancellation or termination of any one Contract relating to an instalment stage will entitle the Buyer to repudiate or cancel any other Contract or instalment. Any delay in Delivery or defect in an instalment shall not entitle the Buyer to cancel any other instalment. Each separate instalment or stage will be invoiced and paid for in accordance with the provisions of the Contract.

6. DELIVERY

61. Delivery of the Products is completed when Amscan places the Order at the Buyer's disposal at the Delivery Location at any time on or before the Delivery Date.
62. If the Buyer fails to take delivery on the Delivery Date at the time notified by Amscan in writing, or provide any necessary documents, then unless that failure or delay is caused by Amscan's failure to comply with its obligations under the Contract, the Products will be deemed to have been delivered and Amscan, without prejudice to its other rights, may if it chooses:
62.1. store or arrange for storage of the Products until actual delivery or sale and charge the Buyer for all related costs and expenses (including, without limitation, storage, and insurance); and/or
62.2. following written notice to the Buyer, sell any of the Products at the best price reasonably obtainable in the circumstances and charge the Buyer for any shortfall below the price under the Contract.
63. Amscan will use reasonable endeavours to deliver each of the Buyer's orders for the Products within the time agreed when the Buyer places an Order and, if no time is agreed, then within a reasonable time, but the time of delivery will not be of the essence. If, despite those endeavours, Amscan is unable for any reason to fulfil any delivery or performance on the specified date, or there is a shortfall in the quantity of the Products delivered, Amscan will be deemed not to be in breach of the Contract, nor will Amscan have any liability to the Buyer for direct, indirect or consequential loss (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, loss of anticipated savings, depletion of goodwill) however caused (including as a result of negligence) by any delay or failure in Delivery except as set out in this Condition 6.3. All shortfalls or discrepancies must be notified to Amscan in writing within 48 hours of Delivery. If Amscan fails to Deliver the Products, Amscan's liability shall be limited to the costs and expenses incurred by the Buyer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Products. Any delay in Delivery will not entitle the Buyer to cancel the Order unless and until the Buyer has given 45 days' written notice to Amscan requiring the delivery to be made and Amscan has not fulfilled the delivery within that period. Amscan shall have no liability for any failure to Deliver the Products to the extent that such failure is caused by a Force Majeure Event, or the Buyer's failure to provide Amscan with adequate delivery instructions or any other instructions that are relevant to the supply of the Products.
64. If the Buyer cancels the order in accordance with Condition 6.3 then:
64.1. Amscan will refund to the Buyer any sums which the Buyer has paid to Amscan in respect of that Order or part of the Order which has been cancelled; and
64.2. the Buyer will be under no liability to make any further payments under Condition 4 in respect of that Order or part of the Order which has been cancelled.
65. The Buyer must notify Amscan if not all of the Products scheduled to be delivered are delivered at the time agreed for Delivery.
65.1. by telephone no later than 48 hours after such time, or
65.2. in writing no later than 48 hours after such time.

7. RISK/TITLE AND RESALE

71. Risk in the Products will pass to the Buyer upon Delivery.
72. Notwithstanding anything contained herein to the contrary, nothing herein shall relieve the Buyer of its obligation to pay Amscan, and (subject to Condition 7.8) title to and ownership of the Products will pass to the Buyer until the earlier of:
72.1. the date that Amscan has received, in full in cleared funds all sums due to it in respect of:
72.1.1. the Products; and
72.1.2. all other sums which are, or which become due to Amscan from the Buyer on any account.
72.2. the date the Buyer resells the Products, in which case title to those Products shall pass at the time of payment of all such sums.
73. The Buyer's right to possession of the Products and the Buyer's right to resell or use the Products under Condition 7.8 will terminate immediately if any of the circumstances set out in Condition 10.1 occur or if Amscan reasonably believes that any such event is about to happen and notifies the Buyer accordingly.
74. Until title passes to the Products, the Buyer shall:
74.1. store the Products separately from all other goods held by the Buyer so that they remain readily available as Amscan's property,
74.2. not remove, deface, or obscure any identifying mark or packaging on or relating to the Products.

- 74.3. maintain the Products in satisfactory condition and keep them insured against all risks for their full price from the date of delivery
7.5. Amscan will be entitled to recover payment for the Products notwithstanding that title in any of the Products has not passed from Amscan, or where the Buyer has resold or used the Products.
7.6. Where Amscan is unable to determine whether any Products are the products in respect of which the Buyer's right to possession has terminated, the Buyer will be deemed to have sold all products of the kind sold by Amscan to the Buyer in the order in which they were invoiced to the Buyer.
7.7. If the Buyer's right to possession of the Products terminates, but the Buyer has paid for the Products, Amscan shall be entitled to issue the Buyer with a credit note for all or any part of the price of the Products paid for by the Buyer together with value added tax thereon.
7.8. Subject to Condition 7.3 and Condition 7.8, the Buyer may resell or use the Products in the ordinary course of its business (but not otherwise) before Amscan receives payment for the Products. However, if the Buyer resells the Products before that time:
7.8.1. it does so as principal and not as Amscan's agent; and
7.8.2. title to the Products shall pass from Amscan to the Buyer immediately before the time at which resale by the Buyer occurs.
7.9. At any time before title to the Products passes to the Buyer, Amscan may:
7.9.1. by notice in writing, terminate the Buyer's rights under Condition 7.8 to resell the Products or use them in the ordinary course of its business; and
7.9.2. require the Buyer to deliver up all the Products in its possession that have not been resold, or irrevocably incorporated into another product and if the Buyer fails to do so, enter any premises of the Buyer or of any third party where the Products are stored in order to recover them and the Buyer grants Amscan, its agents and employees an irrevocable licence at any time to enter any premises where the Products are or may be stored in order to inspect them, or where the Buyer's right to possession has terminated, to recover them.
7.10. On termination of the Contract, however caused, Amscan's (but not the Buyer's) rights contained in this Condition 7 will remain in effect.
7.11. The Buyer agrees that it will not resell any Products through the Online Marketplace.

8. LIABILITY OF AMSCAN

81. Amscan warrants that (subject to the other provisions of these Terms and Conditions) on Delivery and for a period of 6 months from the date of Delivery the Products will be free from defects in material or workmanship. Amscan shall not be liable for a breach of the warranty in this Condition 8.1 if:
8.1.1. the Products have been improperly altered in any way whatsoever or have been subject to misuse or unauthorised repair.

8.2. Subject to Conditions 8.1 and 8.1.1, if any Product does not conform to the warranty in Condition 8.1 Amscan shall, at its option, either refund the price of such Product, or replace such Product. 10.1.5. a creditor or encumbrance of the Buyer attaches or takes possession of, or a distress, execution, sequestration, or other such process is levied or enforced on or sued against, the whole or any part of its assets and such attachment or process is not discharged within 14 days.

10.2. The termination of the Contract however caused is without prejudice to the rights, duties, and liability of either the Buyer or Amscan accrued prior to termination. The conditions which expressly or impliedly have effect after termination will continue to be in force notwithstanding termination.

11. DATA PROTECTION

- 11.1. Both parties will comply with all applicable requirements of the Data Protection Legislation. This Condition 11.1 is in addition to and does not relieve, remove, or replace a party's obligations or rights under the Data Protection Legislation.
11.2. Amscan shall comply with its Data Protection Policy which may be found at: Privacy Policy: Amscan International.
GENERAL
12.1. Time for performance of all obligations of Amscan is not of the essence.
12.2. Each right or remedy of Amscan under the Contract is without prejudice to any other right or remedy of Amscan whether under the Contract or not.
12.3. If any condition or part of the Contract is found by any court, tribunal, administrative body or a authority of competent jurisdiction to be illegal, invalid or unenforceable then that provision will, to the extent required, be severed from the Contract and will be ineffective, without, as far as is possible, modifying any other provision or part of the Contract and this will not affect any other provisions of the Contract which will remain in full force and effect.
12.4. No failure or delay by Amscan to exercise any right, power or remedy will operate as a waiver of it, nor will any partial exercise preclude any further exercise of the same, or of any other right, power or remedy.
12.5. Save as set out in the Contract, these Terms and Conditions may only be varied or amended in writing and signed by a director of Amscan.
12.6. Amscan may assign, delegate, license, hold on trust or sub-contract all or any part of its rights or obligations under the Contract.
12.7. The Contract is personal to the Buyer who may not assign, delegate, license, hold on trust or sub-contract all or any of its rights or obligations under the Contract without Amscan's prior written consent.
12.8. The Contract contains all the terms which Amscan and the Buyer have agreed in relation to the Products and supersedes any prior written or oral agreements, representations or understandings between the parties relating to such Products. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of Amscan which is not set out in the Contract. Nothing in this Condition 12.8 will exclude any liability which one party would otherwise have to the other party in respect of any statements made fraudulently.
12.9. Save as set out in Condition 8.7.6 the parties to the Contract do not intend that any of its terms will be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person not a party to it. Amscan may vary or rescind the Contract without the consent of any officer, employee, agent, or sub-contractor of Amscan.
12.10. Any notice in connection with the Contract will be in writing addressed to the other party at its registered office, or principal place of business and will be delivered by hand, or first class or special delivery post. The notice will be deemed to have been duly served, if delivered by hand, when left at the proper address for service or if made by pre-paid, first class post or special delivery post, 48 hours after being posted.
12.11. The formation, existence, construction, performance, validity, and all aspects whatsoever of the contract or of any term of the contract will be governed by English law. The English courts will have exclusive jurisdiction to settle any dispute which may arise out of, or in connection with the Contract. The parties agree to submit to that jurisdiction.
